

Ten Ways to Make, Keep and Be a Friend

2nd Grade

1. Treat your friends the way you want to be treated
2. Be honest and fair
3. Introduce a new friend to your old friends
4. Smile. People like to be around happy people
5. Use your friend's name when you're talking to him or her. It makes them feel special
6. Cheer someone up if they are lonely or sad. Help if they are hurt
7. Always be kind and respectful
8. Talk about things that are interesting to both of you. Share common interests
9. Ask someone to be your friend
10. If others think you are fair and friendly, they will want to be your friend!
